What is the "Friends" group?

The Friends group is composed of community members just like yourself! Community members of all ages are welcome to help raise awareness of the Berks Visiting Nurse Association's programs and happenings to date.

Mission Statement

As Friends and Ambassadors of BVNA, we volunteer to identify, develop, and support Friends-sponsored events and activities throughout the year. Monies raised from these events are used by the BVNA to help uninsured and under-insured clients obtain the necessary BVNA services.
